A writing competition on the topic 'science involved in walking'

As part of this year's science day celebrations of RIE Mysore, a writing competition on the topic '**the science involved in walking**' is proposed for the school students. The details are as follows.

1. This competition is for ONLY for the high school students (Class IX and X).
2. Interested students can make their write-up ready (in pdf format ONLY) and email to the programme co-ordinator's email address (raman@riemysore.ac.in) latest by 5 p. m. of 23/02/2021. No late entries will be considered.
3. Participants should make a write-up on the given topic with a maximum of 500 words. If needed, relevant figures can be added, but a maximum of three.
4. The write-up can be NEATLY handwritten or typed. If typed, font should be Times New Roman with 12 point font size in A4 portrait page set up with 1 inch margins and a single spacing.
5. The pdf file should be named as 'STUDENT'S NAME_SCHOOL' (all capital letters, for example if the student's name is Vivek S. from the school GMPS Mysore then the file name should be 'VIVEKS_GMPSMYSORE').
6. The title of the email sending the items for the competition should be 'SCIENCE INVOLVED IN WALKING' (all capital letters).
7. Participants are free to expand their ideas by seeking all possible sources to make the write-up. Ideas can be taken from anywhere for making the write-up but the sentences and the figures MUST be self- made.
8. All write-ups obtained will be evaluated independently by three experts, for a maximum mark of 100 each, and the average of the three marks will be considered for declaring the winners.
9. The criteria for the evaluation would be as follows.
 - i) Creativity
 - ii) Originality
 - iii) Correctness and depth of the knowledge
 - iv) Effective presentation of the things
10. If any write-up is found to be copied as it is from the internet or books, it will summarily be rejected.
11. The winners will be declared and will be communicated by 25/02/2021. The prizes will be distributed during the science day celebrations of RIE Mysore on 26/02/2021.
12. Depending upon the time availability, the possibility of giving a chance for the winners to present (read) the winning essays in the science day celebrations will be considered.
13. The decision of the expert committee would be final.
