F.No.1-15/NAAC/2026-27/RIEM

10<sup>th</sup> June 2026

**Minutes of the NAAC / IQAC criterion-wise meeting held in the IQAC room/Exam cell on  
10<sup>th</sup> June 2026**

The meeting commenced with a welcome address by **Prof. I P Gowramma**, IQAC Convenor, who welcomed the principal and all the members present. The IQAC Convenor and Co-convenor briefed the members on the progress of work carried out by the various NAAC Criterion Committees.

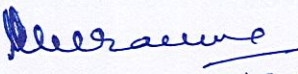

Following points are discussed.

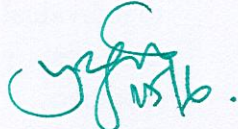

1. The committee decided that Ms. Pampateertha B. Assistant Professor (DEE) Contractual in Criterion 2 Committee. It is also decided that two additional members would be inducted into the committee to strengthen its functioning and facilitate the effective execution of assigned responsibilities.
2. The members were apprised that the data received from various criteria are presently being maintained and preserved by Mr. Hareesha S. K. under the guidance of the NAAC Coordinator and Co-Coordinator. However, it was brought to the notice of all members that greater responsibility and rigorous efforts are required from the respective Convenors, Co-convenors and committee members to ensure systematic collection, verification, maintenance, and preservation of criterion-wise data and supporting documents.
3. The Principal & chairperson emphasized that the responsibility for all activities related to individual criteria, including the collection and compilation of NAAC proforma-wise data, rests with the respective Criterion Convenors, Co-Convenors, and committee members.
4. The convenor, IQAC informed about the data collected by each criterion and informed about the status of data collections for various criteria. However, it was emphasized to reach the expected standard that require considerable improvements. The work has to extend beyond data collection and documentation and should focus on the continuous enhancement of institutional processes and quality standards.
5. Accordingly, all members were requested to focus on continuous improvement initiatives, monitor institutional processes, identify gaps and shortcomings, and provide constructive suggestions to the administration for quality enhancement.

6. It was further stressed that equal importance should be given to improving institutional systems and practices rather than focusing solely on documentation. In addition, orientation and training programmes should be conducted for faculty members on the effective collection, entry, maintenance, preservation, and documentation of criterion-wise data.
7. The IQAC Convenor, Co-Convenor, and all committee members were encouraged by the principal to work collaboratively and in close coordination to achieve the institution's mission, vision, and quality objectives.
8. The Chairperson thanked all members for their presence.
