2. The incidence of 'high NTA Score' and 'lower ranking' in the Merit List in certain cases is due to the candidates' order of preference of Subject Majors in their on-line Application Forms (Subject Major preference has been given precedence while preparing the Merit List followed by the NTA Score).
3. Similarly, State and UT Quotas have been given priority while preparing the Merit List. However, if any seat/seats belonging to a particular State/UT has/have remained unfilled/vacant after exhausting all eligible applications from that State/UT, the seat/seats has/have been transferred to the 'Regional Pool' (all States and UTs from the southern region combined) to fill that/those seat/seats (candidates irrespective of their domicile status have been considered from the Regional Pool as per their preference of Subject Majors, NTA Score and Reservation Category).
