

To  
The Registrar  
University of Mysore  
Mysore - 570 006

Sir,

- Sub: 1. Revision of all our integrated teacher training programmes from the session 2016-17  
 2. Request for constitution of a special multi-disciplinary BOS in Education

The Institute is offering integrated Teacher Education Programmes since its inception. The programmes are

- 1) 4-year integrated Bachelor of Science and Education - B.Sc.B.Ed
- 2) 4-year integrated Bachelor of Arts and Education - B.A.B.Ed
- 3) 6-year integrated Master of Science and Education programme in Physics - M.Sc.Ed(Physics)
- 4) 6-year integrated Master of Science and Education programme in Chemistry - M.Sc.Ed(Chemistry)
- 5) 6-year integrated Master of Science and Education programme in Maths - M.Sc.Ed(Maths)

Recently, the National Council of Teacher of Education has published the norms and regulations for the 4-year integrated programmes and it is mandatory for us to adhere to these norms. Similarly, the UGC has also announced the model minimum curriculum for the B.Sc and B.A programmes. Our Institute took up the exercise of revising the syllabi of all our programmes and the document is just prepared. Since it is mandatory for us to start the revised programme from the year 2016-17 as per the guidelines of NCTE and the affidavit has been submitted to the NCTE. Our Institute undertook the exercise of revision and the document will be submitted for approval to the University very soon. I request your good-self to scrutinise and approve the revised syllabus at the earliest as we are commencing the 2016-17 session by 25.07.2016.

In the past, the University had constituted a Multidisciplinary Board of Studies in Education to approve our proposal since our programmes are integrated and composite programmes consisting of Science / Arts and Education components. I request you kindly to constitute a similar board to facilitate quick processing. The Multidisciplinary Board of Studies may consists of members of all the subject areas- Education, Botany, Zoology, Chemistry, Physics and Mathematics in Sciences and English, History, Geography, Political Science and Economics in Arts.

I request you once again to do the needful at an early date so that any likely delay may be averted.

Thanking you,

Yours faithfully,
